

Swim Tutors USA Policies

- Make-up classes will be given only for the following reasons: illness when the instructor is notified 24 hours in advance, anyone with pending COVID tests/COVID exposure/COVID symptoms notification within one hour of class, and weather related cancelations including lightning, heavy rain and high winds at the discretion of the instructor. Make up classes will not be given for any other reason.
- Anyone with COVID symptoms, pending COVID test results or COVID exposure is not permitted to swim until their quarantine is over per the Department of Health.
- Pools with heaters shall be kept at 86 degrees or higher for the comfort of the student. Swimmers swimming in pools without heaters, or without control of the heater may be asked to move to the afternoon when the weather is warmer especially during winter months.
- Parents shall remain off the pool deck during class. Parents shall refrain from interfering with class instruction unless assistance is requested by the instructor.
- No video shall be taken without permission from the instructor. Videotaping the entire class is explicitly not permitted.
- Aqua Fit swimmers must have their own weights for class.
- At least one parent or guardian must be home or within the vicinity during the class in case of emergency.
- Classes that shortened due to weather are not guaranteed to have time made up.
- Respect social distancing when coronavirus is present. Take as many safety precautions as possible.
